

Thanksgiving Day Prayer

Lord, we thank you for the goodness of our people and for the spirit of justice that fills this nation. We thank you for the beauty and fullness of the land and the challenge of the cities.

We thank you for our work and our rest, for one another, and for our homes. We thank you, Lord: accept our thanksgiving on this day. We pray and give thanks through Jesus Christ our Lord.

Amen.

REQUESTING HELP: As many of you know, Monika Herkert passed away on November 1st. She leaves behind a husband and two children, Mady in 8th Grade and Dominik in 5th Grade. This family has been through a lot since Monika was diagnosed with Huntington's Disease in 2017. Due to the amount of time and effort it has taken to care for her necessities and daily care, the family is needing assistance in many aspects of life. They could use financial help towards the funeral, medical bills, household needs, and day to day living. If you are willing and able to help this family, please feel free to put a donation in an envelope addressed to Herkert Family. You can drop this donation off at St. Mary's School, St. Mary's Parish Office, or mail it to St. Mary's Parish Office at 119 Howard Street, Pontiac, IL 61764. If you have any questions, please feel free to contact Heidi Legner at 815-844-6585.

LIFE LINE SCREENING, the nation's leading provider of preventive health screenings, will offer affordable, non-invasive and painless health screenings at **St. Mary's Catholic Church - Parish Hall on Wednesday, January 3, 2024**. A package of four screenings to identify risk for stroke, heart disease and other chronic conditions will be offered:

Carotid Artery Screening (Plaque)

An ultrasound is performed to screen the carotid arteries (a pair of blood vessels in the neck that deliver blood to your brain) for buildup of fatty plaque. This buildup, called atherosclerosis, is one of the leading causes of stroke.

Peripheral Arterial Disease Screening

An Ankle-Brachial Index (ABI) test is performed using blood pressure cuffs on the arms and legs. It is important to screen for PAD because it increases the risk of coronary artery disease, heart attack, or stroke.¹

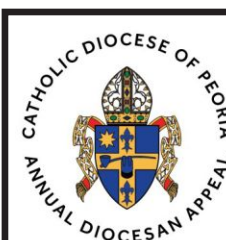

Abdominal Aortic Aneurysm (AAA)

An ultrasound is performed to screen the abdominal aorta for the presence of an enlargement or aneurysm. AAA can lead to a ruptured aortic artery, which is a serious medical emergency.

Atrial Fibrillation

A 6-lead electrocardiogram (EKG) is performed by placing sensors on the arms and legs to screen for Atrial Fibrillation. AFib can lead to blood clots, stroke, and heart failure, and other heart-related complications.²

These 4 vital screenings take 60-90 minutes to complete. Register by calling toll free 1-844-591-7160, text the word "circle" to 216-279-1607 or online at <https://llsa.social/HC>

ENCOUNTERING THE EUCHARIST

Beloved, we are not only commanding you with an admonition, but also reminding ourselves. We are in the same arena, and the same contest is set for us. So, let us leave the empty and futile ways of thought, and come to the renowned and pious rule of our tradition. Let us observe what is beautiful, pleasing, and acceptable in the sight of Him who made us. Let us fix our gaze on the blood of Christ, and know how precious it is to his Father. Because, having shed it for our salvation, He brought the grace of repentance to the whole world.

Pope St. Clement of Rome (d. 99)

Parishes across the Diocese of Peoria have completed their parish meetings for Growing Disciples, the multiyear pastoral planning process for the Catholic Diocese of Peoria to renew discipleship and enhance relationships with Jesus Christ in every corner of our region. Bishop Tylka is reading, listening to and praying about all the feedback he is receiving. So far, we have received more than 1,000 surveys and emails. Your input is needed and valued as he discerns the future landscape of the Diocese of Peoria. You have until November 22 to provide feedback on the second draft of proposed parish models by going to

growingdisciplescdop.org. The next step will be for the Core Team to incorporate the views of the priests and laity and prayerfully discern a final set of parish models to present to the Pastoral Planning Commission for their input.

The Diocese of Peoria is constantly updating the website, so check back frequently. Please continue to pray that all our efforts today will bear fruit for a brighter tomorrow.

HARVEST MASS

*Tuesday, December 12
5:30 pm in Blackstone*

To celebrate another beautiful year of prosperity for our farmers of the Pontiac Vicariate, we want to thank God for all the blessings that Our Lord has endowed upon us. We will celebrate this by having a Harvest Mass for the farmers of our churches on **Tuesday, December 12, the Feast Day of Our Lady of Guadalupe, at the John Duffy Farm (address: 16383 East 3200 North Road, Blackstone, IL)** The service will begin with the rosary of our Blessed Mother at 5.30pm with Mass at 6pm. After Mass, we will have a fellowship meal as a farming community. The meal will be hosted by the parishioners of St. Patrick's Church in Dwight. Please RSVP to St. Mary's (815-844-7683) or St. Patrick's (815-584-3522) by December 5th so we can plan for the meal. I will also take signups for your farms to be blessed for the next planting season. Come, let's thank the Lord for the food He gives us! We will have tables and chairs but bring a lawn chair just in case!
